

Subject: - Unserviceable / damaged / dead stock items of the Divisional Stores.

Circular

Mere furnishing of list of unserviceable / damaged / dead stock items not sufficient enough for this office to process condemnation of these dead stock items unless they are declared obsolete. In order to get the items condemned all Executive Engineers are impressed upon to get the unserviceable / damaged stock items ~~be~~ got declared obsolete by a divisional committee through Superintending Engineer and then forward to this office for further course of action under rules.
